

A DOING MY LAUNDRY

dryer fold hang iron load put sort unload

I'm going to do my laundry now. First, I'm going to sort ¹ the laundry into dark and light colours. Then I'll load ² the washer, let the clothes wash, and then unload ³ the washer. I don't have a dryer ⁴, so after the clothes are washed, I have to hang ⁵ the clothes on the clothesline. When the clothes are dry, I have to iron ⁶ them and then fold ⁷ them. Finally, I'll put ⁸ them in my bureau or in the closet.
